## *Tools of the Trade*

Join the Allegheny Mountain Woodland Association in its first program of 2010!  
We will be offering "Tools of the Trade," a two-part program on selecting and maintaining the tools you use the most in the woodlot, garden, and lawn.

### **Part One: Chainsaw Purchase, Maintenance, Safety, and Repair**

Everything you need to know to select, maintain, repair, and safely operate your chainsaw. Guy Gontkovic of Stihl Power Tools will offer a two-hour program, including the chance to try many of the tools they sell.

### **Part Two: Hand Tool Maintenance**

Saws, axes, pruning shears and more! Chris Salem, of Chris Salem's Professional Tool Sharpening will demonstrate the best sharpening techniques for the most common hand tools.

#### Program Cost
